2. Two copies of the proposal and the pricing data are enclosed herewith. [redacted] retained copies for TSSG.

3. At the request of the Deputy Chief, RED, I joined the meeting as an RED representative. An EDL representative was unable to attend.

4. As an aside, [redacted] mentioned some laser beam recording experiments (performed by [redacted] employing a special [redacted] film, which yield resolution far exceeding any conventional photographic films. Further details can be obtained from [redacted] WPAFB, attention AVRB.

5. [redacted] asked that the proposals be turned over to RED for action.
